

February 21-23, 2019
Franklin, TN

There's no such thing as "just a farmer." A farmer is a lot of things: business executive, scientist, educator, mechanic, market analyst, publicist, conservationist and community leader. To know everything a farmer needs to succeed year to year, it would help to be a magician, too! The Pick TN Conference gives Tennessee farmers their best opportunity to explore the latest information and access the best resources for every facet of modern farm life, all in one event.

The Pick TN Conference is a 501(c)(3) non-profit organization, overseen by representatives of each of the Tennessee Agriculture Associations : TN Fruit and Vegetable Association, TN Organic Growers Association, TN ChristmasTree Growers Association, TN Beekeepers Association, TN Farm Winegrowers Alliance, TN Farmers Markets Association, TN Agritourism Association and TN Flower Growers Association. Now in its 4th year, the Pick TN Conference has grown from 42 exhibitors and 380 attendees to over 75 exhibitors and 600 attendees at the 2018 conference. The Pick TN Board predicts to have a growth of 650 conference attendees mainly due to the extensive educational impact as well as unique networking opportunities that only happen once a year at this event.

By sponsoring the 2019 Pick TN Conference, along with the advertising benefits listed next, your organization is exposed to 650 attendees from all over TN including agriculture industry professionals, farmers, market managers, chefs, academics and buyers. Sponsors also have access to over 80 innovative and relative classes in Agriculture and Agritourism. The Pick TN Conference has elevated Print and Social Media Exposure through an extensive partner network including TN Department of Agriculture and Pick TN Products.
